Christy Pritchard visited the club to make a presentation for Light Up Old Town Art Walk. A similar event will begin in April called Art Walk – Gallery Hop. See “Play Dates” for more information on our participation.

We are still looking for storage space for our club CD’s. If you have any ideas, please contact an officer.

Festival evaluations have been sent out and we will have a full report next month.

A slate of officers for the upcoming year is being prepared. If you are willing to serve, please contact Claudia Tamplin. The club discussed possibilities for artistic director duties.

Please try to attend the club meeting on Dec. 21. We will have a pizza party and jam. If you would like to bring a dessert, I'm sure there will be no complaints.

Just a reminder that dues are coming up in January.
