

Heartland Dulcimer Club Newsletter

Oct. 23, 2008

The Club last met on Oct. 20.

We will be practicing for the concert performance for the festival at the next club meeting.

If you ARE planning to be at the festival concert, but CAN'T make it to the club meeting on the 20th, please email me so that we can add a chair for you. We would like to have a seating chart all ready to go.

For the festival concert, plan to report to the stage at 6:20 and wear red shirts. Also, we are having a Sunday morning hymn sing that is new for this year. We are encouraging you to attend with your instruments to help with the accompaniment.

Festival Performance Song List
